

Introducing Education Support Services Unit A new division of J.A. White & Associates, Inc.

Your Partner and Solution

As a division of J.A. White & Associates, Inc., the Education Support Services Unit is the preferred provider of federal funds compliance, federal funds acquisition, and federal funds management services for institutions, businesses, and agencies that received government funds through formula or discretionary awards from the US Department of Education. We provide on-site assistance and technical tools thereby ensuring maximum financial internal control and risk management compliance with applicable federal policies.
