

Your Partner For Success

Dedicated to sourcing, recruitment, screening and subsequent placement of Finance, Procurement and Contract Administration Professionals.

Our knowledge base and experience working within these industries is extensive.

That coupled with the ability to draw from an internal database of prescreened and qualified applicants give us an added advantage within our marketplace.

Staffing and Recruiting Services provided based upon the clients need:

- Contract – Project oriented based on client established timeline and requirements.
- Contract to Hire – “Try it before you buy it” option.
- Direct Hire – Your employee from start date.

J.A. White & Associates, Inc.’s Support Services Unit takes great pride in developing long-term relationships with our clients and candidates. We take the time to understand the candidate’s specific requirements and what types of opportunities they are passionate about. We identify our client’s unique needs in recruitment, their hiring processes and company culture. By establishing and maintaining this kind of foundation we create a strong and long-lasting working partnership with both groups.

To hear more about available opportunities or find out about how we can help you source your open requirements please contact:
